### Up and Coming Events

#### **Year 1-10 Compulsory Chapel Service - Sunday 26 May, 5.00-6.00pm **CANCELLED****

#### **World Vision Fundraiser Wheelie Wednesday, 29 May**

Our Year 13 Prefects are organising a special fundraiser for the Junior School to support World Vision. This year World Vision are raising money for the Northern Ugandan refugee settlements, currently the home of 790,000 South Sudanese refugees, all immensely affected by the horrific South Sudanese conflict. Money fundraised from the 40 Hour Famine is restoring hope and rebuilding lives within these settlements. In the Junior School, we are showing our support of World Vision through the Wheelie Wednesday fundraiser.

Therefore on Wednesday 29 May, for a **gold coin donation**, girls are able to bring scooters, skateboards or skates to school to use during break times. Named protective wear must be brought to school and any "wheelies" must be named. Please no bikes. Planned sessions will be running for Year 1-3 and Year 4-6 on the day. Please make sure all Wheelies are taken home at the end of the day. All scooters and wheels may be stored behind the Junior School outside Year 2 classroom for this event. This is a great initiative from our Prefects, so please support this worthy cause.

#### **Literacy Programme Open Morning - Wednesday 5 June from 8.45-10.00am**

We are looking forward to opening our classrooms to show you our high quality literacy programs that we have across our Junior School. You will have the opportunity to view a variety of literacy programmes such as reading, writing or phonics in classes during this time. The purpose of this event is for you to see the different stages of literacy throughout the year groups and see how we progress, challenge and support learning in literacy.

Each classroom will be available for you to visit from 8.45 - 9.20am followed by morning tea and a presentation in the Library. During this presentation, we will share with you how the curriculum areas are taught, how they are assessed, how we support our students to be active agents in their learning progress and practical ways to support learning at home.

We look forward to seeing you and invite you to register for this event by clicking [here](#).
